Good afternoon,

Your e-mail request below has reached the "Public Access to Judicial Administrative Records" (PAJAR) team at the Judicial Council of California. The PAJAR team responds to requests to inspect "judicial administrative records" pursuant to rule 10.500 of the California Rules of Court. You can find information about rule 10.500, the process for requesting records, and the types of records available through this process at [www.courts.ca.gov/publicrecords.htm](http://www.courts.ca.gov/publicrecords.htm).

In your e-mail below, you asked questions regarding the status of disqualification of Hon. Stephen P. Lowney of the Superior Court of Santa Clara County for your specific case.

The PAJAR team can assist by locating and providing copies of disclosable judicial administrative records if they already exist. (Please see Cal. Rules of Court, rule [10.500\(e\)\(1\)](#).) The Judicial Council is not obligated to create new records, however, for example, by responding to written questions, which is not a function that PAJAR performs. (Please see Cal. Rules of Court, rule [10.500\(e\)\(1\)\(B\)](#).)

The Judicial Council has no records with information responsive to your questions.

Sincerely,

**Public Access to Judicial Administrative Records**

Good afternoon,

Your e-mail request below has reached the "Public Access to Judicial Administrative Records" (PAJAR) team at the Judicial Council of California. The PAJAR team responds to requests to inspect "judicial administrative records" pursuant to rule 10.500 of the California Rules of Court. You can find information about rule 10.500, the process for requesting records, and the types of records available through this process at [www.courts.ca.gov/publicrecords.htm](http://www.courts.ca.gov/publicrecords.htm).

In the attached, you seem to be requesting the following records:

1. Any order assigning a judge to hear and determine any question of disqualification in case number 6-12-FL-009065, pending in the Superior Court of Santa Clara County, in December 2022;
2. Any written request the Judicial Council's Temporary Assigned Judges Program (TAJP) may have received from the Santa Clara court seeking the referenced assignment order; and
3. Any written record of the court's ruling on the disqualification matter and when it was filed.

For Requests 1 and 2, the Judicial Council does not have any responsive records. For Request 3, TAJF does not receive copies of rulings that assigned judges issue. The Judicial Council, therefore, would not have records providing the information requested.

Sincerely,

**Public Access to Judicial Administrative Records**
